Mentor Release Statement

I, the undersigned, hereby state that if accepted as a mentor, I agree to abide by the rules and regulations of DREAAM House and #100BoysMatter. I understand that the program involves spending a minimum of four hours per month with my mentee(s). I will attend a training session, keep in regular contact with my mentee(s) and communicate with staff regularly during this period. I am willing to commit to one year in the program and acknowledge that I may be asked to renew for another year.

I have not been convicted of (a) any felony of any kind, or any misdemeanor involving (b) harm or threat of harm to another person, (c) controlled substances, (d) acts of a sexual nature, or (e) cruelty to animals. I am not under current indictment. Further, I hereby fully release, discharge and hold harmless DREAAM House or #100BoysMatter, participating organizations and all of their employees, officers, directors, and coordinators from any and all liability, claims, causes of action, costs and expenses which may be or may at any time hereafter become attributable to my participation in the Mentoring Program.

I understand that #100BoysMatter reserves the right to terminate a mentor from the program. Activities take place at spaces designated by #100BoysMatter or those approved by the director no less than three (3) days prior notice. Neither DREAAM House nor #100BoysMatter encourage or approve of relationships established between mentor/mentee and family members unrelated to the scope and organized activities of the program. I give permission for program staff to conduct a criminal background check as part of the screening for entrance into the program. This includes verification of personal and employment references as well as a criminal check with the authorities. Program staff has final right of acceptance of applicant into the program and reserves the right to terminate a mentor from the program at any time. I have read this Release Statement and agree to the contents. I certify that all statements in this application are true and accurate.
